

How to draw Yoyo

Use a pencil for the first steps and try to draw lightly so that you can erase the pencil at the end. Start with the biggest shapes and then add the details one by one.

Add the final lines with a pen by tracing the parts of your sketch that you want to keep. Erase the pencil lines you don't want, then fill in the details to finish your drawing. **Well done!**

Experiences and Outcomes

Early

- I have the freedom to discover and choose ways to create images and objects using a variety of materials. **EXA 0-02a**
- I can create a range of visual information through observing and recording from my experiences across the curriculum. **EXA 0-04a**
- Inspired by a range of stimuli, I can express and communicate my ideas, thoughts and feelings through activities within art and design. **EXA 0-05a**

First Level

- I have the opportunity to choose and explore a range of media and technologies to create images and objects, discovering their effects and suitability for specific tasks. **EXA 1-02a**
- I can create and present work using the visual elements of line, shape, form, colour, tone, pattern and texture. **EXA 1-03a**
- I can create a range of visual information through observing and recording from my experiences across the curriculum. **EXA 1-04a**
- Inspired by a range of stimuli, I can express and communicate my ideas, thoughts and feelings through activities within art and design. **EXA 1-05a**
