ORCHESTRA

RSNO DYNAMO SCHOLARS

RSNO Dynamo Scholars Recruitment

Come and join the RSNO for a once in a lifetime, bespoke professional placement.

The Programme

The Dynamo Scholarship Programme is the RSNO's work experience programme for young people, placing aspiring Scottish students in work experiences to kick-start their career in the Creative Industries.

Each placement will be bespoke, ensuring the opportunity fits around your schedule and your interests.

Scholars will be based in a department and given a mentor to work closely with. Each placement will be slightly different – you could be a runner for a family concert regional tour, you could be behind the scenes recording for a major television or film project, or you could be with our marketing team, helping to promote our Pops concerts.

Who are we looking for?

We are looking for exceptional Scottish (or Scotland-based) young people with a demonstrable passion for the arts, and a willingness to get stuck in and learn on the job. You do not need to have any previous experience working or taking part in the arts.

Scholarships are open to anyone currently based in Scotland, aged 18-26.

Please note the Dynamo programme does not currently extend to instrumental activity, so whilst we encourage applications from musicians, none of the placements will be in the orchestra itself.

Important Details

Placements will last up to a maximum of 5 weeks and will take place between January and June 2026. These may or may not be consecutive weeks or days.

Placements will be paid at £12.60/hour and there is funding available to help with travel and accommodation costs for those not based in Glasgow.

How to apply

Please complete the application form and send it in to engage@rsno.org.uk by Sunday 4 January 2026.

To assist us to monitor the effectiveness of our equality and diversity practices we would encourage applicants to complete our monitoring form. Please [click here](#) to access the form. Your responses will be completely confidential.

Successful applicants will be invited to interview in early January in the RSNO Centre in Glasgow City Centre.
